OUR FOCUS

At Rainbow Preschool, we focus on developing a child's positive attitude toward school and learning along side our pre-academic curriculum.

Children are encouraged to learn at their own pace and are challenged to meet their goals.

ABOUT US

Rainbow Preschool began holding classes in August of 1985 under the ownership of the First Christian Church of Morris.

The school continues to meet in the church's facility, expanding and upgrading to meet the needs of today's preschooler.

Melissa Bledsoe, the Director, has been with Rainbow Preschool for 2 years. She has over 15 years experience in teaching and caring for young children.

Melissa is supported by a staff of three teachers and one teacher's assistant who are all well experienced in the educational field.

PROGRAMS

Rainbow Preschool offers both 3 and 4 year old programs.

Our 3 year old program focuses on colors, shapes, and basic pre-reading skills. We also work to develop social skills.

The 3 year old program uses the exceed curriculum which is an interactive curriculum encouraging parent involvement.

The 4 year old program focuses on getting the students ready for kindergarten with emphasis on numbers, letters and writing.

Our 4 year olds also learn sign language and focus on a new letter each week throughout the year.

Rainbow Preschool offers an open registration on the first Tuesday in March. For more information you can visit our website or contact our director at mbledsoe@fccmorris.org.

Rainbow Preschool also follows state-required safety regulations for child pick up after school dismissal.

Each child must be signed in and out every day and photo id is required for anyone who picks up a child.
